# Pack Your Suitcase

a sample from *All About*® Reading Level 4

Pack your suitcase and get ready to hit the road for an adventure in reading! In this activity, your child will add items to a suitcase while practicing words that contain phonograms UI and IE. Are you ready for a reading review road trip?

## **Instructions**

1. Print pages 4-5 and 6-7 back to back. If you prefer, you can glue or tape the playing cards together.
2. Cut out the suitcase and the cards. Place the cards in a stack with the words facing down. Fold page 3 as indicated, and then use small pieces of tape to seal the edges and form the suitcase.
3. Have your student select a card, flip it over, and read the word aloud. If he reads the word correctly, he may “pack” the item in the suitcase. If he read the word incorrectly, return the card to the bottom of the pile for another try.
4. Continue until all the cards have been read and all the items are packed in the suitcase.
5. Customize page 7 with the words of your choice and repeat the activity.
