Word Flippers are a great tool for practicing concepts taught in the *All About® Reading* lessons. More than seventy-five Word Flippers are included throughout the *All About® Reading* program.

These handy tools reinforce all sorts of reading concepts, from simple CVC (consonant-vowel-consonant) words such as bit, to words with final blends such as fast, to words with consonant suffixes and prefixes such as thankfully, and many more.

All you need to create a Word Flipper is a few activity pages, a pair of scissors, and a stapler. In a matter of minutes, your Word Flippers are ready to go. Want to give them a try? Just choose the flippers that are closest to your child's reading level and see for yourself what a great tool they are!

## How to Assemble Word Flippers

3. Staple the Word Flipper along the left or right side, as indicated.
