

4+ Fun Ways to Count Syllables

1

The Jump Method

Get active! Count each syllable by jumping in place.

2

The Hum Method

Hum the word instead of saying the word. Count the number of hums.

hum,
hum,
hum...

3

The Clap Method

Say the word and clap the syllables.

4

The Talk-Like-a-Robot Method

Say the word in a robotic tone, with a pause between each word chunk.

BONUS Help the Monkeys Game

Use any of the 4 methods above to practice counting syllables with this free printable game!
