ALL ABOUT Reading

Swish and Flip!

Some words imitate sound. You already know a lot of words that imitate sounds. A cow says *moo*, a cat says *meow*, birds say *tweet*, and when a balloon breaks it sounds like *pop*! Now, let's swish and flip like a fish!

Prepare the Activity

1. Print page 3.
2. Cut out the word cards at the bottom of the page and spread them out on the table with the words facing up.

How to Play

1. Have your student match each word with the drawing that makes that sound. For example, "chomp, chomp" should be matched with the drawing of the dog chomping on a bone.
2. Continue until all word cards have been matched to their illustrations.
