Who's Coming to My Party?

a sample from *All About® Reading Level 4*

Once your child has mastered the ability to alphabetize words using the first letter, it's time to continue on to the next step: alphabetizing words to the second or third letter. In this activity, your child will arrange place cards in alphabetical order.

Instructions

1. Print pages 3-4 of this activity.
2. Cut out the place cards, mix them up, and place them on the table with the words facing up.
3. Remind your child that we alphabetize words by looking at the first letter of the word and then putting the words in alphabetical order. But when two or more of the words begin with the same first letter, we must look at the second letter and alphabetize the words in order by the second letter (or third letter, or fourth letter, etc.).
4. Have your child read the names on the place cards and rearrange them into alphabetical order.
