

How to Use Your Level 2 Teacher's Manual

(Third Edition, ISBN 978-1-935197-57-7)

with the Color Edition Readers, Activity Book, and Word Cards

Are you using a third edition *All About® Reading* Level 2 Teacher's Manual? Good news! It is compatible with the color edition Word Cards, activity book, and readers. You'll simply need to make a few small changes to your older Teacher's Manual.

Follow these steps to coordinate your third edition Teacher's Manual with items from the color edition:

1. On page 34, note that the "Open or Closed?" activity has been replaced with a new activity called "Party Monsters Go Shopping."
2. On page 61, note that the "Be a Lumberjack" activity is now found on pages 49-51 of the activity book.
3. On page 62, note that the sheets for the Practice Fluency section are now found on pages 53-54 of the activity book.
4. On page 72, insert Word Card #39 SCRAM under "Practice Reading Words" at the top of the page (you will now need Word Cards #31-39 for this section). Skip the script that teaches the Leap Word DO as Word Card #39 (the DO card has been eliminated; SCRAM replaces it).
5. On page 107, note that the Word Flippers activity is now found on pages 113-119 of the activity book. A new activity ("Party Monsters Play the Name Game") now appears on page 111.
6. On page 108, note that the sheets for the Practice Fluency section are now found on pages 121-124 of the activity book.
7. On page 158, note that a new activity ("Party Monsters Form Teams") has been inserted after the "Wake Up the Sheep" activity.
8. On page 159, note that the sheets for the Practice Fluency section are now found on pages 187-188 of the activity book.
9. On page 191, note that the "What's for Dinner?" activity has been slightly updated and is now called "Party Monsters Make Dinner."
10. The *What Am I?* and *Queen Bee* readers are completely compatible with the older edition Teacher's Manual. (Note: Due to minor updates and edits to the stories, you may need to occasionally adjust the comprehension questions and/or page number references in the New Teaching section of the "Read a Story" lessons in your older Teacher's Manual.)
