200+ Chapter Books Your Kids Will Love

Are you looking for chapter book ideas to share with your children?

Maybe your child is a reluctant reader and you're looking for just the right chapter books to spark her interest in reading. Or maybe your child reads voraciously and devours reading material so quickly that you can't seem to keep up with his literary appetite. Or maybe you're looking for a wonderful series for family read-aloud time and need some new suggestions.

In any case, you can never have too many book recommendations when it's time for a trip to the library!

The lists that follow have been carefully selected for your family. All you have to do is pick a series, print the list, and head over to your local library. Let the reading fun begin!
