

Pirates Picture Books

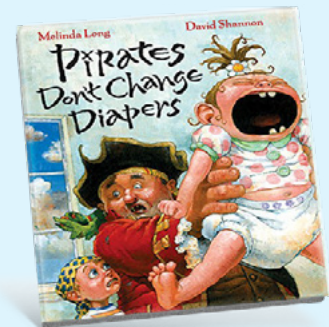

Our pirate crew took to the high seas to hunt down the very best pirate picture books they could lay their hands on. Lots of children's books had to walk the plank in the process, but we found the best of the best. No shark chum fer ya here, me hearties!

Pirates Don't Change Diapers by Melinda Long

Are pirates good babysitters? In this laugh-out-loud picture book, the answer is a rousing NO! Jeremy Jacobs won't let Captain Braid Beard and his crew dig up their treasure—unless they help him babysit howling Bonney Anne. But it soon becomes clear that no matter how good their treasure-hunting skills are, pirates should *never* be babysitters!
