

# Polar Bear Picture Books

What do you do when it's just too blustery and cold to play outside? You grab a cozy blanket and a cup of hot cocoa, and you dig into a pile of picture books about polar bears, that's what!

Print this list of adorable polar bear picture books and head to your local library to check them out. The polar bears in these books may love to play out in the cold and snow, but their stories will warm your heart!

Homework can be really boring, and a report on polar bears is one of the most boring homework assignments ever—or is it? Maybe a series of adventures with a real-life polar bear is just the thing one little girl needs to make learning about these amazing creatures not only interesting, but also fun!

- The Polar Bear Paddle* by David Bedford
