

Compare Yourself to Warren

How much do you have in common with Warren? Maybe you don't write cookbooks for pigs, but you might be surprised at the similarities between you and our potbellied pal.

To compare yourself to Warren, just fill out the Venn diagram below. In the circle on the left, write your name on the blank line. Under your name, write some facts about yourself. In the circle on the right, fill in facts about Warren. In the space where the two circles overlap, fill in the things that you and Warren have in common.
