# Popcorn Party!

Reviewing spelling words can be easy, exciting, and delicious when you have a popcorn party!

This game works for students of all levels.

## Assembly Instructions

1. Print out the game board and laminate if desired.
2. Gather two small tokens for game pieces.
3. Print and cut out the Word Cards that would be most helpful for review purposes. (A selection of words from *All About® Spelling Levels 1-7* are included, along with a blank sheet for your own review words.)

## How to Play

4. Begin by placing the tokens at “Start” on the game board.
5. Prepare a stack of Word Cards for each player. On each turn, one player dictates a word from another player’s stack of Word Cards. The player must then spell the word (out loud, on paper, or with letter tiles). If the word is spelled correctly, the player may move ahead one space. If the word is not spelled correctly, the player may be given clues to correct the spelling (without moving ahead). The card is then moved to the bottom of the stack.
6. Play continues as each player progresses around the board. The first player to reach the tub of popcorn is the winner! After everyone reaches the tub, you may wish to celebrate with a big bowl of yummy, buttery popcorn.

## Optional

If you are currently using the *All About® Spelling* program, you can also play using the green Word Cards from behind your “Review” divider.
