Level 3

Blend a Smoothie

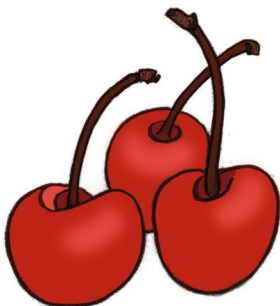

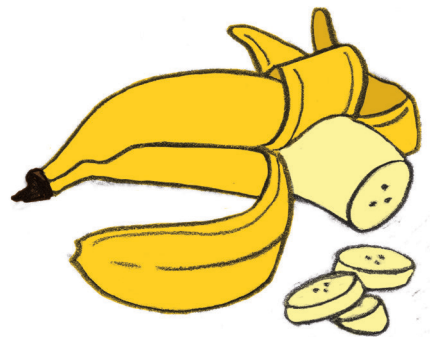

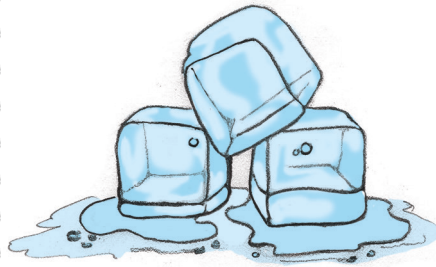

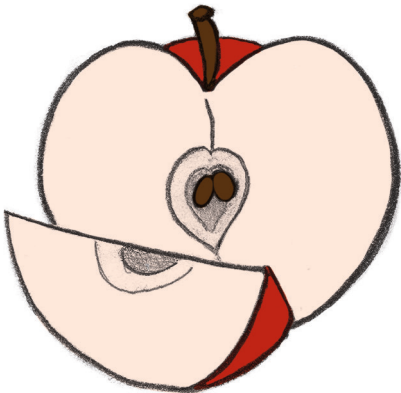

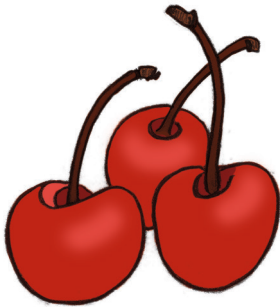

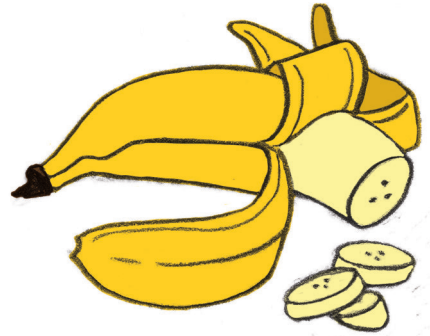

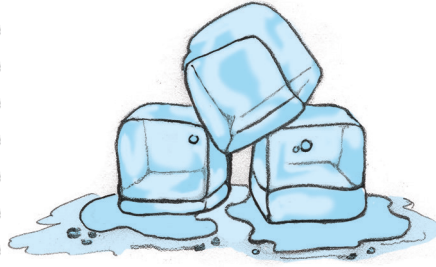

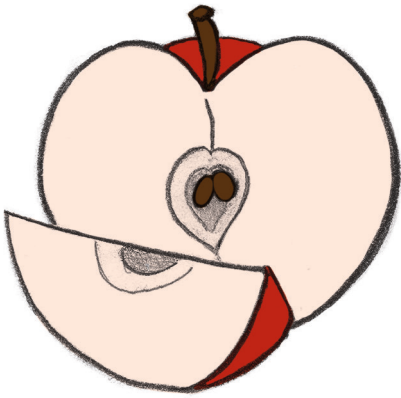

a sample from *All About*® Reading Level 3

Stir up a smoothie (and plenty of fun) with this extra-special activity! Not only does this activity provide your child with an opportunity to practice reading words with WR, it also offers an option to customize the review for your child's specific needs.

Instructions

1. Print pages 4-5 and 6-7 back to back. If you prefer, you can glue or tape the playing cards together.
2. Cut out the blender and the glass. Cut out the smoothie ingredients and place them in a pile with the words facing up.
3. Have your student select one of the word cards, read it aloud, and flip it over to reveal a smoothie ingredient. He may then add the ingredient to the blender.
4. Continue until all the cards have been read and all the ingredients are in the blender. Have your student press one of the buttons on the blender to mix it all together. Your student may then "pour" the smoothie into the glass. Remind him to make a slurping sound as he "sips" the straw!
5. Customize page 7 with the words of your choice and repeat the activity.
