

Get Them!

A bun!

Can the pug get it?

The pug can hop up.

Up.

Up!

Up!

The pug did not get the bun.

The pug can get on this man.

Thud!

The pug did the math.

The pug can get ...

this man,

that man,

a thin man,

a big man!

Then the pug can nab that bun!

"The pug has the bun!"

The men ran.

The pug ran with the bun.

“Get them!”
