fluff the rice

pat of butter

entire plant

falls off

it takes a while

small pit

put it in jars

will not spoil

wild rice and chaff

Cure the rice.

Put the rice on a sheet.
Let the sun dry it.

Thresh the rice.

Put the rice in a pit and step
on it. The chaff will fall out.

Toss the rice.

The chaff will fly off in the
wind.

Store the rice.

Put it in jars or bags.
