Sea Slug Match-Up

Are you ready for a journey into the ocean? Sea slugs might sound slimy and unappealing, but these creatures are actually fascinating and come in a variety of beautiful colors. Some even have cute little faces! Let's practice reading and spelling while discovering these amazing creatures in this match-up game.

Prepare the Activity

1. Print pages 3-6 back-to-back. You may also glue the pages together if printing back-to-back is not an option.
2. Cut the cards apart and place them in a pile with the sea slugs facing up. (For repeat use, laminate the cards and use a dry erase marker to write on them.)

Reading Instructions

1. Choose twenty-four words that you think would most benefit your student to practice.
2. Write the words on the sea slug cards and have your student read each word out loud.
3. When your student has finished all of the cards, use them to play Sea Slug Match-Up! Place all the cards on the table in a grid with the sea slugs facing down. Choose two cards and see if they match. If they do, your student may keep the cards. If they don't, return them to their places for another turn.
